

Job Title: Risk Manager (f/m)

Req ID 29895 - Posted 04/04/2018 - CEO - CIA+RM (A_00071) - Germany - Aachen - Professional

Job Grade: Tariff

Hiring Manager: Nadine Krug

HR Contact: Angelika Will

At Grünenthal, we create a brighter future for our patients - worldwide. With us, let your passion and ideas flow and drive innovation to improve our patients' lives.

With us, challenges become opportunities and your passion and ideas can shine.

Risk Manager (f/m)

limited until end 2019 as maternity leave replacement.

Have a look at the fulfilling work on offer:

- Support maintenance of our risk and crisis management system to ensure risk oversight and control
- Monitor risks and mitigation measures and facilitate the implementation of risk mitigating actions
- Support and facilitate the risk management activities (e.g. workshops) of all functions/units and provide training
- Support the Business Continuity Management system design and maintenance
- Foster our company values, mindsets and compliance culture

Let your talent flourish:

- Academic degree in Business Administration, Finance or equivalent and ideally experiences with Enterprise Risk Management
- First experiences in risk management, compliance and/or audit, preferably within the pharmaceutical industry
- First experience with project management
- Excellent German and English writing skills
- Good IT skills (Office tools, QlikView, etc.)
